

eQUBE GAMING LIMITED TO SUPPLY eBINGO SYSTEM TO BJ'S BINGO AND GAMING

NOT FOR DISSEMINATION IN THE U.S. OR THROUGH U.S. NEWSWIRE SERVICES

EDMONTON, AB. December 9, 2015— **eQube Gaming Limited (TSX-V: EQG)** (“eQube” or the “**Company**”) entered into an agreement with BJ’s Bingo and Gaming (“BJ’s”) in Fife, Washington to provide electronic Bingo (“eBingo”) solutions to the site under a long-term contract. BJ’s is one of the largest bingo locations in the Pacific Northwest with a 584 seat bingo hall and 250 Vegas style slot machines. eQube completed installation of its system in BJ’s in mid-November.

Kent Tong, CEO and Director, commented: “We are delighted to be entering into yet another new jurisdiction for eQube with BJ’s in Washington. BJ’s has an excellent reputation in the industry and we are excited to be working with the Puyallup Tribe and specifically BJ’s facility staff and management. BJ’s has great plans in progressing digital bingo and we are proud to have been chosen as their long-term eBingo platform provider. eQube’s advancement in the US Tribal market continues with the BJ’s install complementing other installs that started with eQube’s first US tribal install in LeMoore, California over a year ago. Consistent with eQube’s goal of becoming the leading provider of eBingo, the Tribal market in the United States is a key market to achieve this.”

About BJ’s Bingo and Gaming (“BJ’s”)

BJ’s is a family owned and operated gaming facility and bingo hall with state of the art technology that provides a fun, exciting interactive entertainment experience. Opened in 1980 as a 100 seat Bingo hall, BJ’s has evolved into a first class 600 seat gaming facility that caters to the comfort and enjoyment of its players.

About eQube Gaming Limited (“eQube”):

eQube is a leading provider of community and charitable gaming solutions for charitable and commercial gaming facilities. eQube has a majority market share of the Canadian regulated eBingo market, is the leading provider to the Irish digital bingo market and now operates the largest linked bingo game in Western Canada. Current solutions, consisting of commercial eBingo, linked bingo, social games and ancillary systems, are deployed in North America and

Europe. eQube's open platform suite of tools provides customers with new revenue channels to deliver and enhance traditional bingo income for lottery, tribal and other gaming organizations.

eQube has been offering its charitable gaming solutions to provincial gaming authorities and private industry since its inception in 1999. Its registered and head office is in Edmonton, Alberta. eQube is listed on the TSX Venture Exchange under the symbol EQG. For more information visit: www.eqube.com.

Disclaimer in Regards to Forward-Looking Statements

This news release contains forward-looking statements and information ("forward-looking statements") within the meaning of applicable securities laws and is based on the expectations, estimates and projections of management of eQube as of the date of this news release, unless otherwise stated. The use of any of the words "expect", "anticipate", "continue", "estimate", "objective", "ongoing", "may", "will", "project", "should", "believe", "plans", "intends" and similar expressions are intended to identify forward-looking statements. Such forward-looking statements are provided for the purpose of providing information about management's current expectations and plans relating to the future. Investors are cautioned that reliance on such information may not be appropriate for other purposes, such as making investment decisions.

Forward looking information provided in this news release is also based on certain assumptions regarding expected growth, results of operations, performance and business prospects and opportunities. Accordingly, readers should not place undue reliance on the forward-looking statements contained in this news release.

Since forward-looking statements addresses future events and conditions, such information by its very nature involves inherent risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of factors and risks. These risks include unsatisfactory due diligence, or the inability to negotiate a definitive agreement and/or obtain necessary regulatory and third party approvals.

Readers are cautioned that the foregoing list of factors is not exhaustive. Additional information regarding some of these risks, expectations or assumptions and other factors may be found in eQube's filings with the Canadian securities regulators, available at www.sedar.com. The reader is cautioned not to place undue reliance on these forward-looking statements. The forward-looking statements contained in this news release are made as of the date hereof and eQube undertakes no obligations to update publicly or revise any forward-looking statements, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
